Taxes?

To what extent do urban areas in lower income countries (LICs) or newly emerging economies (NEEs) provide **social and economic opportunities** for people? (6)

Level	Marks	Description
3 (Detailed)	5-6	<p>AO3 Demonstrates thorough application of knowledge and understanding to the issue of opportunities for people in urban areas in LICs and/or NEEs.</p> <p>AO3 Demonstrates reasoned evaluation of the extent to which urban areas in LICs or NEEs provide social and economic opportunities for people.</p>
2 (Clear)	3-4	<p>AO1 Shows clear and accurate knowledge of places and processes in urban environments.</p> <p>AO2 Demonstrates sound understanding of how urban areas provide both social and economic opportunities.</p>
1 (Basic)	1-2	<p>AO1 Shows limited and partially accurate knowledge of places and processes in urban environments.</p> <p>AO2 Demonstrates some understanding of how urban areas provide both social and/or economic opportunities.</p>

Outline how the *quality of life* for Rio's population can be improved. (6)

Link to water quality, managing waste and easing traffic

If water quality is improved then less people will drink contaminated water. **As a result...**
